Vision 2035

Create a "new world" company where everyone takes on new challenges as leaders in many fields

Vision 2033

Become a company that creates emotion by earning the gratitude of everyone

Vision 2023

Become a leader in Japan in the creation of emotion and aim for growth in other countries

Strategy

Vision

Specific measures for achieving these visions (Medium-term management plan)

Unlike operators of chains of wedding halls with identical designs, IKK uses a different design concept for each location

Couples can hold wedding receptions at elegant mansions with abundant sunlight and greenery and large sites with an average area of about 9,000m²

Our goal is creating the best wedding facilities that can succeed for 20 years by featuring expansive buildings in harmony with nature and their surroundings along with services that incorporate the distinctive elements of the local culture

Exclusive use of an entire mansion-style room for a highly unusual private atmosphere

A garden filled with greenery is the perfect place for weddings with a homey atmosphere

The flexibility to include events that reflect the desires and characteristics of each couple

Memorable meals using the expertise of a famous pastry chef and French cuisine chef

The famous pastry chef Hironobu Tsujiguchi

We have worked with pastry chef Hironobu Tsujiguchi to create a new selection of dessert items that are available at every IKK wedding location.

- Represented Japan at the Coupe de Monde and many other international events, receiving numerous firstplace awards
- Achieved the highest ranking every year from 2013 to 2019 at the Salon du Chocolat in Paris
- Sells merchandise using the Mont St. Clair brand and 13 other brands, each of which has a distinct concept

The "French Iron Chef" Hiroyuki Sakai

Hiroyuki Sakai provides supervision for the meals at the Cuisine Française LA CHANCE restaurant at the Toyama Branch.

- After studying cooking in Japan and other countries, Mr. Sakai opened French cuisine restaurants in Tokyo and other areas of Japan
- He became popular as the French Iron Chef by appearing in the Iron Chef TV program in 1994
- He currently operates a cooking school to pass on his knowledge to the next generation

Dedicated to maintaining an environment for fully using the skills of women

- A commitment to a workplace environment where women can realize their full potential
- Demonstrating progress with measures for women, IKK was the first company in the wedding industry to receive a Development Bank of Japan loan under this bank's DBJ Employees' Health Management Rated Loan Program
- •Promotions are based on performance, in accordance with consistent standards, to recognize the best people; 36.4% of officers and 33.3% of supervisors are women
- Employees are encouraged to use paid vacation time and can use up to 16 days consecutively
- Mental health support program; periodic distribution of questionnaires with unrestricted responses to hear the thoughts and suggestions of employees
- Regular health check-ups as well as blood tests and assistance for gynecology examinations

The DBJ Employees' Health Management Rated Loan Program

The Development Bank of Japan uses its own evaluation system to identify companies with outstanding measures for keeping their employees healthy. These evaluations are used for the world's first financing menu that incorporates employee health management ratings.

Japan's first hotel/wedding company to earn ISO22000:2005 certification for food safety management

Food safety is one of our highest priorities and we are always improving safety and hygiene measures

We have established a Sanitation Standard Operating Procedure (SSOP) Manual that complies with Food Hygiene
Management Standards (Prerequisite Program) and follow these procedures to fulfill our corporate responsibility of
preventing food problems and rigorously supervising all activities involving food

Established the Food Safety Management System that covers food preparation and services

- Suppliers of food must submit product specifications to ensure the safety of all ingredients and finished products
- Food preparation processes are thoroughly supervised and constantly recorded to ensure the safety of all food served to guests
- All personnel must strictly comply with the Food Safety Management System standards
- The three La La Chance Hakata no Mori locations have ISO22000:2005 certification (August 2009)
 *When this certification was renewed in August 2015, certification was expanded to four La La Chance Hakata locations: Villa Foret, Chez la Foret, Grand Vent-Vert and the Hakata no Mori Geihinkan
- All other food operations at IKK also comply with the standards of the Food Safety Management System

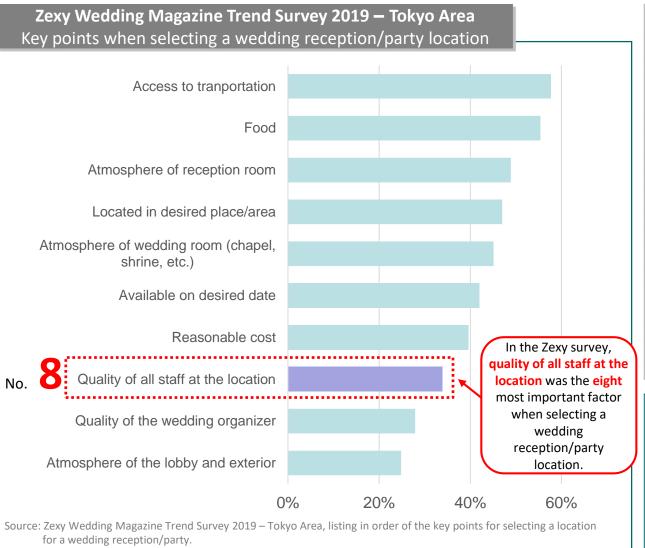

FSMS:548713 / ISO22000:2005

ISSO22000 is an international standard for food safety management systems. This standard combines HACCP food hygiene management methods with the quality management methods of the ISO9001 standard for quality management systems.

- Thanks to extensive training programs, the dedication of our people to excellence in customer service is the most important reason that people select an IKK wedding facility
- Customer service is the main reason that people select IKK at more than half of all locations

Long-term Strategy: Sustained Growth of Wedding Operations in Japan (1)

Extremely thorough site selection process to create branches that can succeed for 20 years Building a base for stable, long-term operation of branches

Prime locations in regional cities

Build wedding facilities in locations with natural beauty

IKK's small-market sales expertise is a key strength

Use sales expertise acquired in small markets for opening new locations in major metro areas, too

Also establish a scheme that leverages IKK's strengths for opening locations in major metropolitan areas

Also opening locations in Japan's three big metro areas

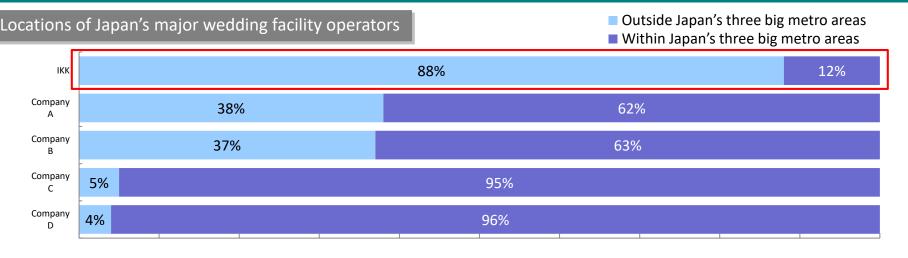

Kobe Branch

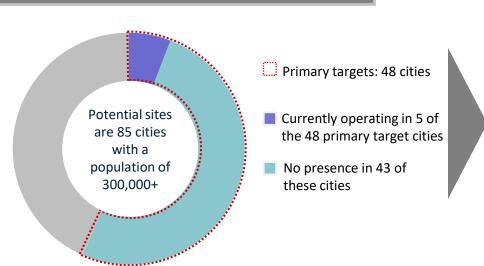

Long-term Strategy: Sustained Growth of Wedding Operations in Japan (2)

Reference

Much potential for new locations in places with little competition, both outside Japan's three big metro areas as well as within these areas

IKK wedding facility locations

Plan on opening one to two locations every year, using the significant potential for expanding the wedding network for steady medium to long-term growth

Long-term Strategy: Expand Overseas Operations to Many Locations

The Indonesia wedding business is the first step of the overseas growth strategy

- Use wedding business expertise in Japan for growth in other countries
- Weddings and other services that reflect the needs and customs of customers in other countries
- Constantly conducting market surveys to identify attractive opportunities

Wedding Market Trends (4)

Japan's wedding market is still highly fragmented, leaving significant potential for IKK to capture market share

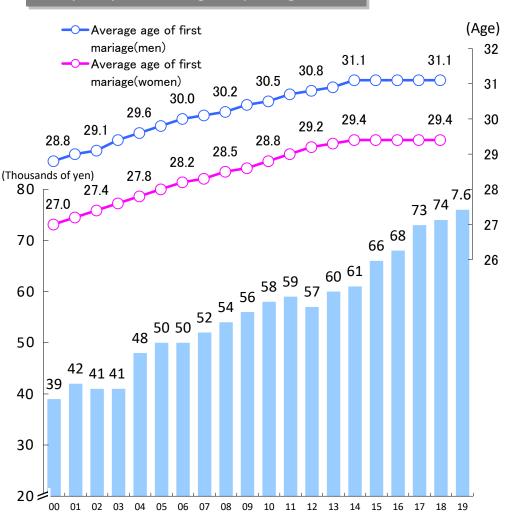

Market share of the six listed wedding companies (based on number of weddings/receptions)

Wedding Market Trends (5)

Average age of first marriage and money spent per wedding reception guest

Couples continue to spend more on weddings despite deflation in Japan

Primary causes

- Couples want a once-in-a-lifetime event that people will remember for a long time
- 2. As the age of first marriages rises, more couples want better food and entertainment for guests and activities that incorporate each couple's personal preferences
- More young people who do not care about luxury in their everyday lives want to spend money to make a wedding a memorable experience

Consistent growth in the amount spent per wedding guest

(now about 90% higher than in 2000)
