## Notice of New Branch Openings

We hereby announce that, as a result of submitting an application for the ""Shodoshima Furusato Village Redevelopment Project"" in Shodoshima Town, Kagawa Prefecture, a group in which our company is a member has been selected as the project operator, as described below.

### Notation

#### 1. Summary

Shodoshima Furusato Village is located along Ikeda Bay on Shodoshima Island in Kagawa Prefecture. This project aims to utilize the rich natural environment, culture, and traditional industries of Shodoshima, and to address challenges facing remote islands (population decline, insufficient secondary transportation, etc.) by revitalizing the local economy through tourism recovery and economic ripple effects, with the purpose of enhancing the island's appeal through collaboration with the town.

As a result of the recent screening, a group in which our company is a member has been selected as the project operator.

According to materials released by Shodoshima Town, the main points that were evaluated are as follows.

- As a result of a comprehensive evaluation by the Shodoshima Furusato Village Redevelopment Operator Selection Committee based on the submitted project proposals and presentations, the proposal was recognized as the most consistent with the purpose of this project and as an excellent proposal.
